## HGC® Diva

H14" • S24" • Z4

Bloom Time: Fall - Winter

Large, single white blooms age to light green or blush pink in cool weather

## HGC® Jesko

H10" • S12" • Z4

Bloom Time: Fall - Winter

Large white blooms with overlapping petals emerge in early winter

The Christmas Rose from the Helleborus Gold Collection® blooms in early winter with large, white flowers that, depending on the varietal, can fade to pale green or light blush pink in cooler weather. Like all HGC® selections, these Hellebores are long-lived, deer and disease resistant, and offer ever-green foliage throughout the year.
